OBJECTIVE

Enthusiastic Software Developer with a strong foundation in programming languages such as C/C++, Java, and hands-on experience in full-stack development using technologies like React.js, Tailwind CSS, Spring Boot, Spring Data JPA, and MySQL. Currently expanding skill set in DevOps and Cloud technologies, with a focus on building scalable and efficient solutions.

EDUCATION

Indira College of Commerce and Science, Pune

Bachelor of Computer Science - 9.27 GPA

July 2024 - Present

SKILLS

- Possess in-depth knowledge of Java, with expertise in Spring Boot, Tomcat server, and Spring Data JPA.
- Experienced in Frontend development using React Js.
- Familiar with C++ Standard Template Library (STL) and its applications.
- Skilled in Database management using MySQL and PostgreSQL, ensuring efficient data storage and retrieval.
- Proficient in a range of tools and technologies, including Git, Github, Aws, Vite, Tailwind CSS, Bootstrap, and Maven to streamline development processes.

PROJECTS

Falcon - Delivery in minutes 🔗

July 2025 - Present

Built a full-stack delivery app (Java Spring Boot + React + My Sql) for instant product delivery (clothing, electronics, etc.), with OTP login (phone/email) and Razorpay payment integration. (not deployed as still under development)

Snack Source - empowering street food vendors 🔗

Aug 2025 - Sept 2025

Java + React hackathon project connecting street vendors with local suppliers; enabled smart, city-based matching for fast raw material delivery. (deployed only frontend, backend not available for now)

CERTIFICATES / EXTRA ACTIVITIES

Full Stack Web Development - Amazon 🔗

Gained skills in Spring Boot, React Js, REST APIs, build tools, deployment, and automating MySQL queries.

AWS Cloud Quest: Cloud Practitioner 🔗

foundational AWS cloud skills including VPC's, EC2 instances, RDS and hands-on experience with core services.

Problem Solving Techincal Event (Coding) - Winner 🔗

Awarded for solving the most Data Structures and Logical problems in 30 minutes among all participants.

Web Designing Technical Event - Consolation 🔗

Awarded Consolation Prize in a web designing event for notable design skills and front-end implementation.
